

TRADE SUPPLY FOR AUSTRALIA

Your Timber Range. Direct Access To Manufacturing.

LVL / F17 FORMPLY / I-JOIST

Factory-direct prices. Australian contracts. Local support.

See The Manufacturing Before You Commit.

Factory visits are available by appointment for qualified buyers.

A SIMPLE FIRST STEP

Start With One Or Two Sizes.

Email a size you buy regularly and the grade you need. We will confirm what we can supply and what else we need to quote.

JACKY.ZENG@HYSENTIMBER.COM.AU

Another Supply Option. No Need To Change Suppliers.

You can compare a regular LVL or formply line, with factory-direct pricing and a local Australian contact. No supplier change required.

Australian Track Record

An affiliated LVL factory has supplied two major Australian distributors through an export partner. Our records show no product returns on that supply.

Factory-Direct Supply

Supply from Shuyang Lvzhu without an extra trading agent. Compare the same size, grade and delivery basis.

Australian Contract & Support

Contracts can be made with Hysen Timber Pty Ltd. Our local contact follows up on orders and quality queries.

WHY IT'S WORTH A LOOK

- Compare a size you already buy.
- Ask about private-label and pack options.
- Keep your existing supplier while you check another option.
- See the factory and speak to the people who make it.

You don't need to share your current supplier or their pricing.

LVL

Structural And Formwork LVL For Trade Buyers.

E10 - E16

Grades across selected LVL ranges.
Performance varies by product.

2.4 m - 12.0 m

Lengths depend on grade, section and
application.

Veneer

Larch and white pine; lay-up depends on the product.

Bond & Moisture

Type A bond; typical moisture range 8%-15%.

Standard

AS/NZS 4357 - product data available on request.

Certification

BSI BMP 809736 for the covered product range.

For A Quote

Send the section, grade, length and quantity.

EMAIL US A REGULAR LVL SIZE

*Product selection and design should
follow the applicable technical data.*

F17 Formply

F17 Formply For Concrete Formwork.

1800 x 1200 mm

17 mm thick

2400 x 1200 mm

17 mm thick

Core

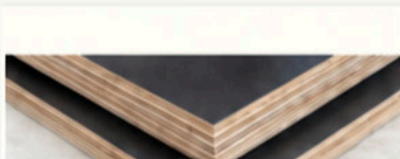

Eucalyptus veneers.

Product Standard

AS 6669:2016 - Plywood - Formwork; technical sheet on request.

Check With Us

Surface finish, sheet size, pack quantity and use.

Tell us the sheet size and finish you need. We can send the relevant product information and quote options.

Reuse depends on formwork design, handling and site conditions.

ASK US FOR A FORMPLY QUOTE

I-Joist Enquiries

Tell Us The Section And Where It Will Be Used.

Send us your I-joist profile and intended use. We'll check the relevant technical data.

Profile

Section drawing or the profile you use.

Application

Intended use and required performance.

Length & Size

Lengths and section sizes needed.

WHAT WE CAN CHECK

- Data sheets and certification for the nominated range.
- Application requirements and design limitations.
- Pack sizes, lead times and supply terms.
- Samples or other steps before placing an order.

Email the profile, intended use and length. We can take it from there.

SEND US AN I-JOIST PROFILE

Compare The Whole Order. Not Just The Unit Price.

Compare the grade, product documents, pack sizes, freight and lead time - not just the price per cubic metre.

Product & Grade

Sizes, grade and use.

Technical Docs

Data sheets and certificates.

Packing

Pack sizes and labels.

Quote Basis

Currency, unit and terms.

Lead Time

Production and shipping.

Quality Follow-Up

How we deal with issues.

FROM ENQUIRY TO SUPPLY

01 Email A Regular Size

02 Compare A Like-For-Like Quote

03 Agree On Samples Or Review

04 Confirm Terms In Writing

Come And See The Factory For Yourself.

Factory Visits By Appointment For Trade Buyers.

WHAT YOU CAN SEE

- Production lines and plant.
- Products, packing and records.
- Meet the people behind the supply.

TRAVEL SUPPORT

For buyers arranging a factory review, Hysen can assist with reasonable travel and accommodation within China for up to two company representatives.

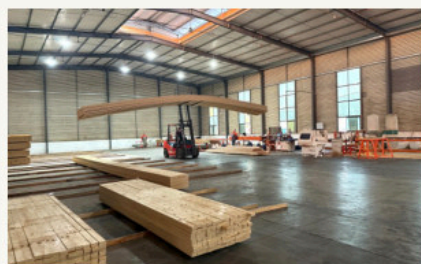

Please agree the arrangements with us in writing first and check your company policy. International flights and personal expenses are excluded unless separately agreed.
